

2011-2012 GATEWAY REGION Theoretical Exam D

For the purpose of this test, use the following information:

R = RECEIVING TEAM	S = SERVING TEAM
R1 = RIGHT BACK	S1 = RIGHT BACK
R2 = RIGHT FRONT	S2 = RIGHT FRONT
R3 = CENTER FRONT	S3 = CENTER FRONT
R4 = LEFT FRONT	S4 = LEFT FRONT
R5 = LEFT BACK	S5 = LEFT BACK
R6 = CENTER BACK	S6 = CENTER BACK

DIRECTIONS: Read each situation carefully. Decide whether the statement is true (T) or false (F). Write either "T" or "F" in the space provided on the answer sheet.

1. During a rally, the coach and two assistant coaches are giving instructions to players on the court while standing in the free zone in front of the team bench. The referees should allow the assistant coaches to stand in the free zone during the match provided their actions are not disruptive.
2. After playing the ball, S3 has significant contact with the net outside the antennae, which noticeably shakes the net. The second referee should whistle a net fault by S3.
3. R4 contacts S3 in the space under the net. This contact prevents S3 from playing the ball. The second referee should whistle a penetration fault on R4.
4. In the middle of a rally, an errant ball from another court crosses the court near Team S's end line away from the playing action without interfering with play. Team R wins the rally but the Team S captain requests a replay because of the ball on their court. The referees should deny the request for a replay since the errant ball did not interfere with play.
5. Whenever a ball strikes an over-head obstruction below 15' (4.6 meters), the first referee will always award a replay.
6. S2 trips and touches the net while the ball is in the backcourt on Team R's side of the net. The net contact does not interfere with play. The second referee should allow play to continue.
7. If the coach for Team A wants to replace the Acting Libero with the designated second Libero in the middle of Set 2, he or she simply sends the second Libero onto the court through the Libero replacement zone to make a change during a dead ball.
8. When the re-serve rule is being used in 14-and-under age groups, five seconds are allowed for the first service attempt. If a service tossing error occurs, another five seconds are allowed for the second service attempt.
9. After playing a ball near the net, R3 falls with both elbows landing on the centerline. R3's arms are clearly touching the opponent's court, but there is no opponent in the area. The second referee should whistle and indicate a penetration fault by R3.
10. It is permitted to request a substitution before the start of a set.

11. For 14-and-under age groups, a re-serve for a tossing error is permitted for each service attempt.
12. The Team R's Libero, who is in the front zone near the net, jumps and reaches higher than the top of the net in an attempt to block the ball coming from the opponent. The Libero does not touch the ball during this action. The referees should allow play to continue.
13. An errant pass is traveling toward a wall; however, the ball strikes the ceiling 25' above the playing area before it hits the wall. The ball then rebounds off the ceiling back toward the court, where the team legally sends the ball across the net to the opponent. The first referee should whistle and signal "out" because the ball would have clearly hit the wall had it not contacted the ceiling.
14. In juniors' competition, players may participate while wearing earrings provided the earrings are covered with tape.
15. A player may start outside the service zone on the playing surface during a service attempt provided that the player is within the service zone at the moment of the service hit or take-off for a jump serve.
16. The Team R's player uniforms are dark purple, while their Libero's uniform is black. These would be considered legal jerseys.
17. The second referee is responsible for making an "out" call on a ball that contacts the post outside the antennae on the second referee's side of the net.
18. The second referee should notify the team captain or coach when the 9th, 10th, 11th and 12th team substitutions have been used by that team.
19. All team and individual sanctions remain in force for the entire match and are recorded on the scoresheet.
20. Zero (0), double zero (00) and numbers higher than 99 are not legal uniform numbers.
